DOUBLE CARDS
FOR SALT LAKE

Two Ball Games for Saturday and Sunday to Fill Out Series With Seals.

Salt Lake, May 21.—Double-headers may be on the cards for the tail end of the week. It already has been announced that there would be a double card on Saturday, and with another game postponed since then, and the chance that there may be another coming up, it is no sure thing but that the Sunday fans will see two games. It is the rule in the Pacific Coast league to play the first Sunday game in the morning, but whether this will be carried out here is not known. The managers have the say whether the postponed games shall be played on this trip or the following, and they have not conferred on this question yet.

Salt Lake has several double cards coming up. When Venice comes on the next trip two extra games may be played. Two were prevented by rain when the club was here at the opening of the season and they must be played off. Then when Portland makes its next round to Utah there will be an extra game. San Francisco has two to its credit already, but there is a chance that both will be played off.

The military tournament with BARTON & BAILEY'S WORLD CELEBRATED SHOWS, something unique. Engaged in it are American, English, French, Belgian and Mexican soldiers. Don't fail to see it. Only one chance tonight at Ogden. Tonight, 25c admission to all.—Advertisement.

Brooklyn, May 20.—An error of judgment by Schultz in the first inning today gave St. Louis enough runs to win from Brooklyn. The final score was 3 to 1. With two out and Dolan on second, J. Miller hit to the third baseman, who had an easy throw to first to retire the side. Instead, he tried for Dolan, who was

safe at third on a close decision. Hyatt then shot a long double to right, scoring both men. Doubles by Stengel and Wheat scored Brooklyn's only run.

Philadelphia—Cincinnati.

Boston, May 20.—Chicago defeated Boston today by a score of 4 to 2. Hughes struck out eleven Chicago batters, but his fine twirling was undone when the Cubs scored three runs in the seventh on Zimmerman's double, a pass, a single by Williams and Magee's miff of Kinsey's long fly.

BASEBALL OUTFIT
GOES TO FRONT

Chicago, May 20.—The most famous ball players of the American league will be asked to autograph some of the baseballs which President Johnson will forward among other paraphernalia to the Canadian soldiers in France, who want to while away the intermission between battles in playing the American national game.

President Johnson said today that he would ask the players to contribute signed baseballs to the collection of material he will provide, which will include, in the first consignment five gross of balls, fifty bats, six masks and six catchers' protectors, with six sets of new uniforms to go later.

The American league this afternoon sent the following telegram to Mayor T. L. Church of Toronto:

"An appeal has been made to me to provide a big assortment of baseball paraphernalia for use of the Canadian soldiers in France. The American league club owners and players cheerfully will make the contribution. Kindly instruct me to whom I will send this shipment, if it is wanted."

Reports reaching Chicago from France indicate that baseball, introduced among the French and British soldiers by Canadian troops, who learned the game at home, is taking a firm foothold back of the trenches.

Don't fail to take the little ones to see the most wonderful collection of wild animals in existence, when BARTON & BAILEY'S WORLD CELEBRATED SHOWS exhibit at Ogden tonight. A complete menagerie of them from the largest to the smallest. Only 25c admission to all.—Advertisement.

ERNST HERE TO ARRANGE MATCH
Salt Lake, May 21.—Abel Ernst, right heavyweight wrestler, blew into town last night with a chip on his shoulder. He is looking for any wrestler Utah can produce and says he will stay here until he can get a mat bill. He has tried to arrange a match with Harbortson of Ogden, but failed, and said last night he was eager to meet Visser or George Nelson.

Ernst also said he would take on any man regardless of weight. The invader is better known in the middle west than in Utah. He traveled with Hackenschmidt on his American tour and on several occasions has wrestled handicap matches with Frank Gotch. In both matches Gotch lost. The handicap was for Gotch to throw Ernst in twenty minutes and again in thirty minutes.

BELMONT'S STROMBOLI WINS METROPOLITAN
New York, May 20.—August Belmont's year-old gelding Stromboli, by Fairplay-St. Priscilla, carrying 118 pounds, with Jockey Turner up, won the Metropolitan handicap at one mile, the feature of the card at the opening of the eastern racing season at the Belmont park race track today. A huge crowd watched the twenty-second running of this classic event, for which ten horses started.

Schuyler L. Parsons' Sharpshooter finished second, three-quarters of a length behind the winner, with Capt. E. B. Cassatt's Flying Fairy third, five lengths away. The time was 1:39 4-5, just two seconds slower than the track record for this race.

GIBSON TO MANAGE TEAM IN ARIZONA
Salt Lake, May 21.—Bobby Gibson, the popular manager at Magna, a member of the Utah Copper league, will leave Sunday for Hayden, Ariz., where he will manage the team of the Ray Consolidated Copper company.

Bobby had an attractive offer from Hayden and his employers at Gardfield released him from his contract with the Magna team. A successor to Gibson has not been appointed.

PORTLAND BEATS
TIGERS 5 TO 4 OFF FOR DENVER

Derrick's Batting for the Beavers Causes Downfall For Venice Team.

Los Angeles, May 20.—In the first game played here since last Sunday, which, in itself is a record for Los Angeles, Portland beat the Tigers today 5 to 4, principally through the energetic work of Derrick with the club. Never before has so long an interval occurred between games in this town as the present, due to the death of Hap Hogan, late manager of the Venice team.

Derrick's batting was the principal cause for Henley's downfall. In the third his single scored two men, and another came in on a single and an out. The Tiger managed to squeeze one man across in their half on two infield singles and a double, but in the sixth they got to Lush for three hits and three runs, taking the lead 4 to 3. They held this advantage until the eighth, when Henley passed Davis, and Derrick hit a home run, chasing Davis in ahead of him and winning the game.

Coveleskie worked in the last inning for the Beavers. There has been nothing done by President Maier in the way of a successor to Hogan as manager of the Tigers. Hundreds of local fans are signing a petition asking Maier to name Doc White, but the president says no selection will be made until next week.

POOR FIELDING DOWNS OAKLAND
Angels Have Their Own Way and Win Game by 5 to 2.

San Francisco, May 20.—Oakland literally booted its way into defeat today. Red Kuhn, who essayed to catch and let the Angels have their own sweet way in running the bases, working fast enough to keep him warm, and Jack Nease, who, not to be outdone, contributed to the error column, were chiefly to blame. Marcan's fumble had nothing to do with the piling up of Angel tallies.

It was 5 to 2 when the gentlemen from the south had completed their work, whereas, had the fielding been of that quality known as perfect, it totally should have been reversed, with the Oaks leading. Silent Bill Burns, southern heaver, had two bad innings in one of those paragraphs, he got away without trouble, thanks to catching Jack Nease napping off first. In the third, he was not so fortunate and the Oaklanders earned two runs that ought to have been gone enough for victory. Then there were Burns clamped on the lid. One more hit was all he allowed, and Christian's chaps never got within bailing distance of the plate, save when they went up for a time at bat.

Out of all the fuzzy fielding, there was one bright spot—a fielding stint by Rocky Middleton, whose one-hand catch of Earl Macgregor's liner in the sixth saved a home run. It was one of those side-arm catches, with Middleton getting the ball at his shoe-tops.

UTAH TRACK TEAM
TIGERS 5 TO 4 OFF FOR DENVER

University Hopes to Bring Back Intermountain Athletic Honors—Tennis Players to Compete.

The University of Utah track team left this morning for Denver to try for the intermountain track championship. Coach Nelson H. Norgren and ten track men will make the trip. There also will be two tennis players, who stand a good chance to win the racquet championship of the west this spring.

While university fans are not laying any claims to a conference track championship this year, it is thought Utah has a wonderful chance to embrace the big honors. Boulder men were champions last year. Utah came in a close third. Colorado college is conceded the odds this year by Colorado sport writers, but many of them are unacquainted with this state.

Several of the men who have been making records here surpassing those so far in Colorado are Hopkins in the hurdles, Captain Parry in the high jump, Haymond in the 220. Van Pelt in the pole vault, both Parry and Van Pelt in the high hurdle, Reed in the high jump, and the Utahs' crack relay team. The other men, while they have not surpassed the records made in meets in the Centennial state, are up to snuff and each man can be banked on for a point here and there. Utah looks good for about forty cold points and there is no telling what they will do when Coach Norgren instills some of his fighting spirit into them before going on the field. It was an injection of this same spirit that won the state intercollegiate track meet of Utah for the university Saturday.

The track team consists of Captain Parry, Reed, Van Pelt, Hopkins, Haymond, Romney, Teasdale, Collier, Brockmeyer and Berry and the tennis team of Little and Gibbs. Coach Norgren will go with them.

FORMER BOISE PLAYER NOW ON FIRING LINE

Chicago, May 20.—Sporting extras with box scores are among the crying needs of the men in the European trenches and the paper containing a description of the Johnson-Willard fight will meet a generous circulation according to a letter received from George H. Raynor, former shortstop in the Intermountain baseball league, today. Raynor is on the firing line near Ypres with the First battalion of the Canadian expeditionary force.

"Roll up a few sporting extras and send them along," he wrote a friend. "I get picked off before they come, the other boys will be glad to get them."

"So old Jack Johnson finally met a big man and got licked. I was glad to hear of it, although I have not seen an account of it yet."

"Can you imagine towns like Oden blown to pieces with only a few chimneys and walls left standing? Well, that is what the cities along the firing line look like."

PLAY IN WEST.
Washington, May 20.—Manager R. M. Murphy of the football team of Washington and Jefferson university announced last night that there had been agreed upon a plan whereby the W. and J. team will play at the Panama-Pacific exposition at San Francisco on September 18. He said the opposing team would either be Michigan university or the Carlisle Indians.

TO HELP HARVARD.
Cambridge, Mass., May 20.—George T. Stallings, manager of the world champion Boston Nationals, tonight gave the Harvard baseball squad instructions in "double baseball." He is said to have consented to act as a sort of advisory coach to the team.

PENNSY WINNER.
Philadelphia, May 20.—The University of Pennsylvania defeated the University of Michigan at tennis here today six matches to none. Four matches in singles and in doubles were played.

ATTACKS HOLDUPS IS BADLY WORSTED
Salt Lake, May 21.—J. F. Mitchell, 53 years of age, a tourist from Dayton, O., refused to comply with the demands of two highwaymen last night, scuffled with his assailants, who in return beat his head into a mass of lacerated wounds. The attack was made on Mitchell on First West, between Broadway and Second South. Mitchell was carrying \$916 in currency in a money belt when attacked.

Mitchell was walking south on First West on his way from a cafe on Second South to his room at the Rex hotel, Broadway and First West. One of the highwaymen approached him from in front and, drawing a revolver, commanded Mitchell to throw up his hands.

In reply Mitchell knocked the revolver from the highwayman's hand with one arm and in the same instant struck him in the face. The bandit fell to the ground and Mitchell sprang upon him. Then a second man appeared from behind and tried to beat Mitchell over the head

with the butt of a revolver. Unable to cope with his two assailants, Mitchell cried out for help and passersby on the west side of the street hurried to the scene. The highwaymen fled. The police were notified, and James Woodard and Jack Egbert, city detectives, responded to the call. Mitchell was taken to the police emergency hospital, where Dr. H. B. Sprague attended his wounds. No trace was found that might lead to the arrest of the highwaymen. Mitchell remained at the emergency hospital for the night.

Mitchell said he had recently sold a bakery shop in Dayton and was en route to the exposition at San Francisco.

BRITISH CAPTAIN
LOSES BIG SUM

Denver, Colo., May 20.—Captain J. Saltren Willett, of the British army, has reported to the Denver police department the loss of a \$50,000 letter of credit.

Ten days ago he obtained a domestic letter of credit for \$100,000 prior to his departure for Boise, Ariz., where, he expended half the amount for horses shipped to England. He still retained the letter when he returned to Denver.

He is positive it was in his possession the night before he met an affable stranger at the Brown Palace hotel. Next morning the letter was missing. He believes the stranger was a German spy.
